You work for the WGC : Wolf Generators Company.

You are meeting Mr or Ms Johns, manager of a small building / contracting <sup>(2)</sup> company. This is a first meeting.

Mr/Ms Johns has contacted you to hear about your line of power generators : be ready to present your product and negotiate a deal for it.

Be careful!! You are late for the appointment!!

**Vocabulary** : (1) recoil = *enrouleur*  
(2) a contractor = *un entrepreneur (de BTP)*

NB : original product can be found at <http://www.screwfix.com>
